Report on

“Career awareness Program by Stern Language Institute”

Organized by:

DEPARTMENT OF MECHANICAL ENGINEERING

Laxmi Institute of Technology, Sarigam

On 4th September 2017

In Association with

The Mechanical Engineering Department of LIT had organized the career awareness program for Final year students of Degree & Diploma and faculties on **28th September 2017**. The Lecture was delivered by our invited guest speaker Mr. Hiren. About 100 students of Laxmi Institute of Technology were benefitted from the expert talk. The session was started with floral welcome of Mr. Hiren by our Prof. Mr. Parikshit Patel (HOD Mechanical)

Mr. Hiren and team start the session in session they covered below listed points.

Why to study in Germany?

- World famous universities
- Free education
- Boosting economy
- World famous in engineering technology
- Research oriented education
- Good job prospect
- Better and secured living standard
- Compare to other country low budget required

He also explain about the language used for study in Germany, How to apply for study in Germany, budget for study in Germany and the job opportunities in Germany. Mr.Hiren answered the questions by students and also shared about job opportunities for IT students.

Overall, it was a good event and students found it very fruitful to gain knowledge. Finally the seminar ended with a vote of thanks by the Head of the Department along with presenting the memento as token of memory to the honorable invited experts from the department.

Mechanical Department is grateful to Honorable Director-LIT, Honorable Campus Director and Honorable Managing Trustee for their expert guidance and esteemed support of all kind to make the event successful.

Glimpse of the program:

THANK YOU
