

National Conference 2019

The basic objective of the scheme is to bring together academicians and experts from different parts of the country and abroad to exchange knowledge and ideas. This will provide an in-depth analysis of subjects and update the knowledge of the participants from academic/research institutions. Selected papers will be published in UGC approved journal with ISSN number. The conference will be held on 02nd April 2019. Venue for the conference is Laxmi Institute of Technology, Sarigam, Gujarat.

Outcomes:

- ❖ To Establish a network of young researchers, Students and industry experts who will be able to work together to find creative solutions to the issues facing the recent times.
- ❖ To provide an opportunity for youth to present their concerns regarding and solutions to issues facing in and in resulting conference reports.
- ❖ Increase general inquisitiveness among youth and the general public.

IMPORTANT DATES

Submission of Manuscript deadline:	March 15, 2019
Acceptance notification:	March 20, 2019
Submission of camera ready paper:	March 22, 2019
Last Date of Registration:	March 25, 2019
Date of Conference:	April 02, 2019

In Association with

Criteria for Publication

The authors are requested to go through the following criteria for publication of their Research papers:

Ranking of papers will be done out of 20 marks on the following basis:

- a. Paper Acceptance out of 10 marks :
 - strongly accepted: (8-10)/10

- accepted: (6-7)/10
 - weakly accepted: (0-5)/10
- b. Physical Presentation out of 10 marks (as per the session chair(s) decision)
- strongly presented: (8-10) /10
 - normally presented: (6-7) /10
 - weakly presented: (4-5) /10
 - very weakly presented: (0-3) /10
- The best papers evaluated on the basis of their acceptance and physical presentation of the papers will be considered for publication in UGC approved Journal. For this the overall marking of the paper should be between 15-20 marks.

The next best papers in category on the basis of their evaluation , will be published in UGC approved journals: IJAC (Journal of analysis and computation) .

Registration Charges :-

Category	Authors
UG Students	Rs. 1000/-
PG Students	Rs. 1200/-
Academicians / R & D Institutions	Rs. 1500/-
Delegates from Industries	Rs. 2000/-

- Download Registration from here [NCETET Registration Form](#)
- Standard Paper size – 6 pages.
- Research Student Author - Those authors who are currently pursuing PHD, Masters degree in a research organisation/University comes under this category
- At least one author must be registered for paper registration.
- Event is maintained and managed by Laxmi Institute of Technology, in association with Gujarat Technological University, Ahmedabad, ISTE, New Delhi.
- Registration fee may be paid through DD in favor of “Laxmi Institute of Technology, Sarigam” payable at Silvassa or by Online Transfer/Cash
- Fee inclusive of Service and other Taxes.
- Bank Details

Paper Submission

Authors are requested to submit their Research Paper through [easychair](#). Paper should have an Abstract of 200 words, 4-6 Key Words, Figures, Diagrams, Tables, Graphs and Reference in prescribed Format and Full Length of Paper not more than 7 Pages. Authors have to follow the Dates as mentioned.

Papers Selected in NCETET 2019 will be considered for Publication in UGC approved Journals: <http://www.ijrar.org> [ISSN: 2349-5138 (Print Version); ISSN: 2348-1269 (Electronic Version), UGC No. 43602]

The submissions are handled through the official Easy Chair:

Author Guidelines

Prospective authors are invited to submit manuscripts reporting original unpublished research and recent developments in the topics related to the conference. It is required that the manuscript follows the standard format mentioned. Submissions must include title, abstract, keywords, author and affiliation with email address. Please double-check the paper size in your page setup to make sure you are using the A4 size paper. The paper should not contain page numbers or any special headers or footers.

Authors should submit their papers online. We use Easy Chair system for submission of papers and review process. Unregistered authors should first create an account on Easy Chair to log on. To avoid last minutes network problems, authors are strongly encouraged to create their Easy Chair submission system user accounts (if you do not already have one) and register their submission well in advance of the deadline.

Authors are invited to submit full papers for consideration with a maximum length limit of 6 printed pages including all the figures, references, and appendices. Submission of paper must be original and should not have been previously published or under consideration for publication. All papers will be sent for peer review and the corresponding author will be notified of the outcome of the review process. At least one of the authors of each accepted paper must register for the conference and present their paper in person at the conference. All submissions are to be done electronically through easychair link.

[About LIT, Sarigam](#)

Laxmi Vidyapeeth Engineering College is temple of learning is located nearby Vapi Valsad a sprawling 120 acres campus with facilities to match the imaginations of the elites. In a serene environment away from the city, the lush green atmosphere of Laxmi Vidyapeeth provides the students a system that is a perfect blend of modern techniques and traditional values facilitating the enhancement of their physical, mental, social and spiritual values, because of all these Facilities Laxmi Vidyapeeth gain a reputation in Vapi Valsad and is now identified as leading engineering College in Vapi & Valsad District.

To meet the demand of engineering education in India, particularly in Gujarat, Laxmi Institute of Technology (LIT) was established in the year 2009, in a lush green and quaint campus. The college is approved by AICTE, New Delhi and offers the following courses:

Degree :

- Automobile Engineering
- Civil Engineering
- Computer & Science Engineering
- Electrical Engineering
- Electronics & Communication Eng.
- Information Technology
- Mechanical Engineering

Diploma :

- Automobile Engineering
- Civil Engineering
- Electrical Engineering
- Mechanical Engineering

51.	Automatic Power Factor Compensation for Industrial Power Used To Minimize Penalty Authors: Deepak Prajapati, Jeet Patel, Jigesh Khadik, Rahul Yadav, Hiren Patel	184-187
52.	Reduce Die Changeover Time in HCCP Using SMED Technique Authors: Darshan Kachhadiya, Bhautik Nakum, Deep Raut, Subal Saha	188-190
53.	The Bricks Authors: Kiran S Gandhi, Hiral Dubal, Sheetal R Patel, Siba Ram Raut	191-192
54.	Design Optimisation of Leaf Springs Used in Automobile Vehicle by Composite Materials and its Comparison with Conventional Materials by Use of FEA Analysis Authors: Rajat Singh, Sushil Sonkhiya, Amit Yadav, Pintoo Singh	193-199
55.	Development of Enabler Based Framework for Enhancing Sustainable Supply Chain Management Adoption in South Gujarat Textile Organization Authors: Jaivik Patel, Alok Choudhary, Ashish Patel	200-205
56.	Efficient Allocation of Resource Dynamic using Container Authors: Jitali Bhandari	206-208
57.	Improvement in Design of Single Screw Extruder Machine Authors: Viren Prajapati, Vicky Patel, Vibhav Patel, Parimal Solanki, Kevin Bhandari	209-211
58.	A Survey and Implementation of Tire Inflation System for Automobile Authors: Jaypal Patel, Mayank Patel	212-214
59.	Attention Allied Protocol for Disaster Application (AAPDA) Authors: Siddhi Desai, Vikhyat Rao, Subetharan M, Jay Nayak, Nishanki Bariya	215-219
60.	Design Optimisation of Leaf Springs used in Automobile Vehicle by Composite Materials and its Comparison with Conventional Materials by use of FEA Analysis Authors: Rajat Singh, Sushil Sonkhiya, Amit Yadav, Pintoo Singh	220-227

61.	ELECTRON: Efficient Leakage Controlled Transistor Level Approach for Subthreshold Current Reduction Author: Dr. R. Anjana	228-233
62.	Experimental Study on Strength of Concrete using Super Absorbent Polymer Authors: Parvez Ansari, Avnit Dhodi, Mitesh Contractor, Heeral Patel, Shaikh Mohd Saquib	234-236
63.	Martbotica - Supermarket of Future Authors: Mayank H. Prajapati, Sumit P. Kabiria, Mayank R. Prajapati, Vardan S. Patel, Suchita Sunil Borkar	237-240
64.	Multi-Cutter Grass Cutting Machine Authors: Patel Malav, Patel Meet, Patel Narendra, Patel Nirav	241-244
65.	To Apply Sustainable Manufacturing System in FRP Cooling Tower Body Manufacturing Industry Authors: Kuyyamudi Parth L, Patel Tushar B, Sukani Aditiya P, Waghela Ronit V, Ashish Patel	215-247
66.	Six Sigma in a Glass Processing Industry: A Case Study Authors: Rahul Mahto, Sudhansu Das, Ravindra Yadav, Mudasir Khan	248-249
67.	To Increase the Efficiency of Low Capacity Petrol Engine by Electric Turbocharger Authors: Vishal Naik, Gaurang Patel, Mitesh Patel, Dhaval Patel, Meet Patel	250-251
68.	Daman Municipal Council Authors: Dipansh Singh Manhas, Jangid Sneha Shivram, Dharti Yogeshbhai Raval, Niti Devang Thakar, Vrunda J. Patel	252-253
69.	Experiment on Thermoacoustic Refrigeration System Using Ammonia as a Refrigerant Authors: Yash K. Bharti, Animesh R. Dodia, Jay S. Dudhadhari, Keval J. Patel, Ashish Patel, Hemant Patel	254-259
